I understand that my use of the services provided by Carabiner's Indoor Climbing, their agents, owners, officers, employees, volunteers, participants and any other persons or entities acting on their behalf, hereafter known as "CIC," is entirely voluntarily and with a complete and full understanding that any and all such usage, including, but not limited to climbing, is entirely voluntary and with a complete and full understanding that any and all such usage involves all manner of hazards and dangers. I acknowledge and agree that I have a personal responsibility to know and understand the safety rules administered by CIC. I have received full information, inspected the premises and have had any questions answered to my full satisfaction. I am responsible for checking, ensuring and maintaining the safety and safe operating condition of any and all equipment, gear, or apparel (including, but not limited to, anchors, ropes, carabiners, belay devices, harnesses and/or shoes) that I may utilize while present in CIC regardless of where or from whom I may have obtained such equipment, gear, or apparel. I use and accept those items "as is" and use them at MY OWN RISK.

PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of Carabiner's Indoor Climbing, Inc., their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "CIC"), I hereby agree to release, indemnify, and discharge CIC, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that participation a sports facility and rock climbing on an artificial climbing wall entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity. Also, I recognize that lead climbing poses serious and different additional risks. The risks include, among other things: falling off the wall; loose and/or damaged artificial holds; rented equipment failure; falling to the ground, on other users, or being fallen on by other users; abrasions from the walls, ropes, pads, or the floor; equipment failure; belay and/or belayer failure; climbing out of control or beyond ones personal limits; the negligence of others climbers, visitors, participants, or other persons who may be present; musculoskeletal injuries and/or over training; head injuries; my own negligence; and the uses of strength and aerobics training equipment. Furthermore, CIC employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless CIC from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of CIC's equipment or facilities, including any such claims which allege negligent acts or omissions of CIC.

4. Should CIC or anyone acting on their behalf, be required to incur attorney's fees and costa to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against CIC, I agree to do so solely in the state of Massachusetts, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against CIC on the basis of any claim from which I have released them herein.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
